Marcon Avista

Marcon Avista Sp. z o.o. is a company of 25-year tradition and constant development in the field of cosmetics manufacture. Since its foundation Marcon Avista Sp. z o.o. has been specializing in cosmetics manufacture based on natural ingredients.

Marcon Avista products are sold in Europe, in the Middle East and in the USA. We can also create a full cosmetic product range (PRIVATE LABEL) on demand, for example: white cosmetics, dermocosmetics, cleansers, cosmetics for children, depilatory creams.

In addition, we offer labeling and confectioning. We are creative and flexible, we help you find proper solutions. We can design and advise on packaging as well.

To meet the customer expectations and to improve the quality of service constantly the company invests in manufacturing capacity. Modernization of our production lines and introduction of new technologies have increased the company productive potential. The company offer has been extended with new products and the quality of service has been considerably improved.

We have our own research laboratory where, in accordance with customer demand: we create and introduce new innovative formulas and we carry out projects based on our customers recipes.

Cosmetics are our passion. We care about the best quality of our products.

We are personally involved in the production process, supervising each stage of it. We test all new cosmetics ourselves before we pass them on to our recipients. Our greatest achievement is recognition and the trust of our clients.
